Chair Report 2018-11-20

A huge THANK YOU to the hot lunch committee for getting hot lunch up and rolling before Christmas. It is no small task and we thank them so much for their amazing efforts.

We will be holding a by-election for the position of School Council Vice Chair Jan 15, 2019 as the position needs to be filled.

Sherwood Heights Junior High School (one of our designated schools) is on the replacement list due to its aging condition. Please consider contacting MLA's Estefania Cortes-Vargas and Annie McKitrick to encourage the Minister of Education that this replacement needs to be done sooner rather than later.

An EIPS school hosted an info session on The Impact Social Media and Screen Time on children and teens. It had excellent reviews and I would like to look into bringing this session to our school one night.

Executive will be meeting next Tuesday to create operating procedures for School Council with ASCA assistance.

If your spouse is not receiving school e-newsletters, please have them register their emails at <https://go.schoolmessenger.ca>

Next School Council and DCFS meeting will be held Jan 15 at 6 pm. Please join us!
