<p style="text-align: center;">Eco Safe</p> <ul style="list-style-type: none"> • it was something they could use everyday • Something commonly used , great advocacy for environment, affordable • I loved sending my child out to work for the fundraiser plus I love the bags! • It was something that we needed and use everyday • Useful product • Something we actually use 	<p style="text-align: center;">Eco Safe</p> <ul style="list-style-type: none"> • The bags were hard to sell • Not a product that enticed me to buy • The bags were too expensive to interest anyone
<p style="text-align: center;">100%</p> <ul style="list-style-type: none"> • there was no selling and it was simple • I don't have time to sell a bunch of stuff to family members or buy stuff I don't need. Take my money!! Then I don't have to feel guilty for the rest of the year :P • Easiest and no selling • Easy! Didn't have to buy anything and all the money went to the school. Nothing in my home I had to buy. • Not interested in buying food and home products from mlm or catalogue. • No pressure to ask neighbors and friends. • All of the money goes directly to the school. 	<p style="text-align: center;">100%</p> <ul style="list-style-type: none"> • Seemed weird to just ask for money, even though I get that it raised more money etc.
<p style="text-align: center;">Mom's Pantry</p> <ul style="list-style-type: none"> • the food was good quality • Getting something for your money, food everyone can use that 	<p style="text-align: center;">Mom's Pantry</p> <ul style="list-style-type: none"> • it was too expensive • quantities were quite large • there are too many other food fundraisers with sports • I just don't use those things • Didn't really need any of the stuff • I want to support the school, so I purchased some things but these aren't items that I'd usually purchase • Too expensive and seemed like a lot to coordinate with it being frozen and needing to be picked up. • Seemed like a mlm deal • Too expensive • Items were expensive
<p style="text-align: center;">Cmas Raffle</p> <ul style="list-style-type: none"> • The Christmas Raffle was clever and absolutely something that I'd spend money on, avoiding the hustle and bustle of Christmas concerts. 	<p style="text-align: center;">Christmas Raffle</p> <ul style="list-style-type: none"> • all seats were good • it wasn't important • It feels very "privilegey." It doesn't seem fair that the families who had extra funds had access to this, and the families who are struggling financially don't. I can imagine it might hurt to sit in the back rows when you wanted to be in the front, but couldn't

	<p>because it was front row seats or the mortgage payment, you know? It just didn't seem fair to all families.</p> <ul style="list-style-type: none">• Was cash only. I have teenagers and never have cash.
