

# Welcome to **moO** CLUB

## Our Milk Program Is Back !

We are happy to announce the Davidson Creek Milk Program is back. Pre-ordering is now open.

This milk program is a nutritional break-even program that gives our children the opportunity to have a healthy addition to their lunches. This is a registered program with Alberta Milk, under the Elementary Club Moo Program.

We will be offering chilled white / chocolate milk at every lunch hour to those that have purchased milk cards.

The program is run by parent volunteers and supported by the School Council. Student volunteers will also help distribute the milk at lunch hour, making the program a real team effort!

If more then one milk card is ordered it will be kept in the office and managed by a parent volunteer.

## Commounication!

Please talk with your children about how many milks they have remaining on their cards!

Teachers will be sending home Milk Cards that run out, but we need our parents to have good communication with their kids about this as well. Please note we will **not** be replacing lost Milk Cards.

If you have any questions about the milk program or online ordering please email [DCEmilkprogram@gmail.com](mailto:DCEmilkprogram@gmail.com)

**\*Note:** please do not call the school about the milk program. This is a School Council run program and we are happy to help out in any way we can.

**Thank You for Supporting the Davidson Creek Milk Program!**
